

# The talking visual story creator Pictello™

**Pictello™ provides an easy way to create, playback and share visual stories and talking books. Designed for all ages and skill levels, Pictello™ is easy to use.**

## Uses for Pictello™ stories include:

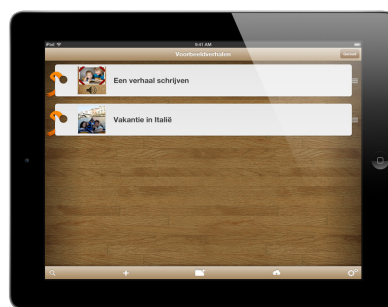

- Stories to teach social interactions or to recall events
- Talking books, schedules, task instructions, etc.
- Stories to allow non-speaking people to share their news and interests
- Teaching narrative skills as part of a literacy or language skills curriculum
- Sharing important events and memories with family who live far away

## Key Pictello™ features

- Use photos, videos, audio, Text to Speech and text
- Stories can be shared through our free Pictello Sharing Server or as PDF files
- Localized in English, Spanish, French, German, Turkish and Dutch
- Natural-sounding Text to Speech voices in 27 languages for free download
- Runs on iPhone, iPod touch and iPad
